**Rafiki Ball**

*June 6 • Crown Ballroom Perth • 2020*

**Rafiki**

Australia Tanzania

**Australia Tanzania**

Rafiki has been changing the lives of Tanzanian children & adults with cleft lips, cleft palates & burns injuries, since 2004.

*Jumane had his cleft lip repaired by Rafiki when he was 18 months old. He is lucky enough to live his life unaware of a deformity that would have had a major impact on both his and his mother's futures.*

**While Australians born with disfiguring facial deformities, or those who suffer burns injuries, can access treatment almost immediately, in Tanzania's remote rural areas sufferers can be forced to endure a lifetime of alienation. In fact, it can lead to the shunning of entire families by their communities and very little education and job prospects.**

Our volunteer surgical teams are giving these people the chance to live a normal life. Treated babies will grow up never knowing the alienation they may have been subjected to; children can go back to school with new confidence, completely accepted by their peers; and adults may go on to find work, marry and even take on important leadership roles in their villages.

Rafiki's teams of volunteer surgeons, anaesthetists and nurses perform up to 80 free operations during each two week mission.

The local doctors and nurses also benefit from our collaboration with the host hospitals, working with the visiting medical staff and building their own skills.

We are also training Tanzanian surgeons to become the country's first ever fully-qualified Plastic and Reconstructive Surgeons. The two-year Master's Degree program will have a huge flow-on effect and is a vital step to help Tanzania become self-sufficient in this surgical specialty.

In addition to the surgeries and training, Rafiki sends shipping containers of donated medical equipment and ambulances to Tanzania. Since 2010, we have packed and shipped 50 containers of equipment for distribution to selected hospitals and medical centres across the country, including 8 ambulances. The replacement cost of this equipment runs into the many millions.

Rafiki is a volunteer-run organisation with all administrative costs absorbed through the efforts of our volunteers. Every dollar raised goes directly to our work in Tanzania, making life better for people who would otherwise have no chance of a new start. Our funding comes from a variety of sources, including sponsorship from organisations in Australia and Tanzania, personal and corporate donations, and of course through our annual fundraising event, the Rafiki Ball.

17<sup>TH</sup>  
Annual

# Rafiki Ball

JUNE 6 • CROWN BALLROOM PERTH • 2020

Now in its 17th year, the Rafiki Ball is the main fundraising event for Rafiki. Each year at the Ball we raise the majority of our annual operating costs to send medical teams to Tanzania to provide free medical treatment and train local staff and to transport donated medical equipment to under-resourced clinics and hospitals.

Rafiki is a volunteer-run organisation with all administrative costs absorbed through the efforts of our volunteers. Every dollar raised at the Ball goes directly to our work in Tanzania. We pride ourselves on keeping our event costs to a minimum through the generous support of our corporate sponsors, donors and volunteers, while still creating a spectacular evening that is always great fun.

The Ball provides us with a platform to raise awareness and recognise the efforts of our volunteers, and we keep the formalities to a minimum so everyone has a chance to talk, have a good time and dance the night away.

*Banana Zorro is one of Tanzania's most well-known musicians and has won multiple awards including 'Tanzanian Pop Idol'. Joining Banana on stage will be one of Tanzania's biggest voices and most talented young stars, Ashura Kitenge.*

*Banana and Ashura will be covering iconic songs and will bring their own African vibe to the night.*

Tanzanite package includes an Ambulance with your logo/name shipped & donated to Tanzania on your behalf

# A little goes a long way...

## Unable to attend the Ball this year? Or just want to do a little extra?

The main source of our fundraising is the main auction and silent auction at the Ball. Generous supporters donate their time, or goods and services, and wonderful attendees bid on the items. Every single item is 100% donated and we don't take goods on consignment.

For your support, we believe you deserve recognition. Your company will gain exposure to the 500+ guests on the evening, with displays on the big screen and printed booklet, plus through our greater network on social media and in our newsletters.

Every little bit counts! With each operation costing Rafiki around \$625, even the smallest donation goes a long way to changing the life of someone desperately in need.

HOW YOU CAN HELP...

**Donate an item to the Rafiki Ball Auctions**

**Make a tax deductible donation to Rafiki**

For more information on how to donate an item to the Silent or Main Auction speak to your Rafiki Ball contact or email Julia at [julia@lumedia.com.au](mailto:julia@lumedia.com.au)

# Tickets

## STANDARD TICKETS

Tickets are priced at \$250 per person, and tables seat 10. To help keep our administration time to a minimum, we'd prefer to receive one payment per group and bookings in tables of 10, however smaller groups are most welcome. Please fill in the payment form and known guest details for the seating chart and dietary requirements.
